

## RUNNERS VILLAGE CHAPERONES APPLICATION

### **What is the Runners' Village?**

Every year many talented athletes from disadvantaged communities miss out on participating in the Old Mutual Two Oceans Marathon due to financial constraints. In recognition of this, the Two Oceans Marathon Association is inviting clubs to assist their less privileged members with applying to be part of the Runners' Village 2014.

The Runners' Village provides assistance to athletes who lack the means to become part of the world's most beautiful marathon but have the passion to participate. Runners who fulfil certain criteria will be responsible for making their own way down to Cape Town after which we will provide accommodation, transport to and from the various venues and meals, during their stay.

Athletes from all regions in South Africa can be accommodated and the Runners' Village will open on Friday, 18 April 2014 at 10h00. Breakfast, lunch and supper will be provided over the weekend and runners will meet at race registration and be transported to the accommodation venue as well as the start and finish line on race day. Would you like to apply to be a Chaperone at the Runners' Village?
